Course Description

Strategic Business Leader (SBL) is a ACCA's case study paper. As the paper's name described, it is mainly focus on two parts, Leadership and Strategy. The course is devised to equip students with qualified knowledge and capability of judgement as strategic business leaders, especially on strategic decision, so it put heavily emphasis on exercising leadership in business environments. In the first part, the topics are covered like business organization and their stakeholders, organizational culture, structure and strategy, cooperate governance and social responsibility, internal control , security, internal audit and business ethical issues, and etc. In terms of strategic part , students are required

to make strategic analysis , choice and implementation effectively after evaluating both external and internal business environments by using like PESTEL and SWOT models. Important objectives of SBL are to develop the students' awareness of the wider business and external factors affecting business, and teach them to use commercially sound judgement and insight to resolve issues and exploit opportunities.

Student Learning Objectives

On successful completion of this exam, candidates should be able to:

Knowledge	<ul style="list-style-type: none"> ◆ Describe effective leadership, identify the importance of ethical judgement and understand the relationship among business leadership, culture and strategy; ◆ Explain the effectiveness of the cooperate governance and realize the responsibility towards stakeholders; ◆ Classify wider external factors affecting business and recognize resources available internally ; ◆ Identify potential risks in the organization and strategy options and explain the importance of risk management process ; ◆ Interpret the functions of different business models and observe the application of IT and data analytic tools into exploring strategic opportunities and implementing strategy effectively; ◆ Generalize the objectives of internal control and audit systems in organization; ◆ Understand importance of the financial techniques in the support of strategic decision and implementation.
Capability	<ul style="list-style-type: none"> ◆ Apply excellent leadership and ethical judgement, and promote a positive culture and value creation with an organization; ◆ Evaluate the effectiveness of the cooperate governance and distinguish the responsibility towards different stakeholders; ◆ Evaluate the strategic position against the external environment and availability of internal resources, to identify feasible strategic option; ◆ Analyze the risk profile of the organization and any strategic options identified with risk management; ◆ Select and apply appropriate models, IT and data analytic tools to identify strategic opportunities, and implement strategy with IT security control; ◆ Evaluate internal control and audit systems to ensure comply with achievement of organization's objectives; ◆ Apply high level financial techniques in the planning, implantation and evaluation of strategic options and action.

Mindset	<ul style="list-style-type: none"> ◆ Develop a cognition on the operation of life cycle rule in business environment from ecosystem perspective; ◆ Build up a perception on how a positive mission as the spirit of an enterprise guides leadership ,culture and strategy.

Teaching Methods

This course contains lectures, class discussions, homework, quizzes, presentation and final exam. Textbook content will be introduced first. Then real case and practice questions will be delivered to students as a way to test their understanding of the knowledge. This will require individual or group assignment in or after class.

Grade Criterion

Component	Weight	Description
Final Exam	20%	A cumulative final examination will be given based on all contents of the class. The exam paper may be composed of a scenario of questions, which will be similar with real life examination cases. Students should rely primarily on homework assignments and mock exam to give them a sense of what they may see for material on exams.
Final Report	20%	A final report should be presented by each students. The contents could be a personal summary for the course or a case analysis.
Mid-term Test	—	No midterm test will be given.
Homework	15%	Most of the assigned homework is taken from the Activities in the textbook. Assignments will be collected at the clearly stated date. Late assignments will not be accepted. The graded assignments will be kept by the tutor for reference and won't be returned to students.
Quizzes	15%	There will be at least 2 quizzes during the semester. Quizzes may or may not be announced in advance. It may also be used as a way to check the attendance. Quizzes will test your knowledge of both concepts and the application of those concepts.
Presentation	10%	The presentation can be finished individually. Each student is required to be involved in the presentation. The topics can be selected from the textbook or lectures. Each group need to finish a PPT related to the topic which is given and hand in the related resources to the teacher before the presentation.
Participation	10%	Individuals will be asked to participate individually in a question and answer at least 5timesduring the semester. The performances should be counted in their participation.
Attendance	10%	Refer to attendance policy listed below
Total	100%	

Detailed Grade Computation

	Before Midterm	After Midterm
Attendance	5%	5%
Participation	5%	5%
Homework	15%	
Quizzes	15%	
Presentation		10%
Final exam/report		40%
Total	40%	60%

Assessment of Student Performance

☞ Self-Study and Reading ability Practice

Instructor will give out the reference materials to read or watch and use class hours to have discussion; students should be able to show a proactive attitude and ability for self-study and reading. Knowledge and oral English will be elements of homework or presentation score.

☞ Homework

Students should finish their homework by themselves. Copying from others will be treated as cheating and the homework scores will be lowered. Students should hand in all assignments on time. Late assignments will be accepted at the discretion of the instructor (i.e., when the student was ill or had an excused absence). Late assignments without reasonable proof will be reduced in score by 50%.

☞ Attendance

Because the course covers a great deal of material, attending every class session is very important for performing well.

- ♦ Being late for 15 minutes or more is considered an absence.
- ♦ Five hours or above of unexcused absences will result in the lower level of the final grade by one grade band (e.g. from C – to D +). Any excused absence must be discussed directly with the teacher.
- ♦ Absence which is more than 1/3 of the total teaching hours will cause an F (a failing grade) directly. but students are welcome to continue attending classes.
- ♦ An incomplete grade (I) will be considered in case of medical or family emergencies.

☞ Participation

- ♦ Students should participate in classes actively. Half of participation grade is determined by their presentation in class. They are encouraged to ask questions relevant to the subject and express their own opinions. Every student should respect the ideas, opinions, and questions of their classmates.
- ♦ Students should also use office hours to ask questions or talk with the instructor for good communication and effective learning.
- ♦ Frequent visiting the instructor and chatting in English during office hours is highly recommended.
- ♦ Any misbehavior and non-class related activities in class will result in the lower level of the participation grade, including ringing cell phones.
- ♦ All above behaviors will be solely evaluated by the instructor for scoring.

Textbook

Students must bring the textbook to class.

Note: The Wechat group will be mainly used to inform the students daily study activities and tasks. Mosoteach will be mainly used to upload PPTS and release some learning materials.

Teacher's Office Hour

- ♦The instructor's office hour is shown in the front of the office door.
- ♦Students are suggested to use the instructor's office hour and learning center to ask questions or talk with the instructor once at least per week for good communication and effective learning, which is recorded in the students' participation.
- ♦The time can be scheduled by instructors or students, or both.

Cheating and Plagiarism

Cheating is not tolerated. Any student caught cheating on a quiz; test or exam will be given a mark of zero (0) for the particular work. At the beginning of the semester the definition of plagiarism will be carefully explained, when any thoughts or writings of another person are used, they must be clearly identified (usually one uses quotation marks) and the source notes. **If any student is caught cheating on any homework assignment, the highest score the student can earn in that course is a "C".**

Important Dates

Midterm Test	Week 9 or 10
Final Exam	Week 18 or 19 (Refer to the notice of the Academic Affairs Office)

Note: This syllabus is tentative and may be changed or modified throughout the semester. All students will be notified and a new syllabus will be given.
