Teaching Methods

This course contains lectures, class discussions, homework, quizzes, presentation and exams. Textbook content will be introduced first. Then real case and practice questions will be delivered to students as a way to test their understanding of the knowledge. This will require individual or group assignment in or after class.

Grade Criterion

eight	Description
0%	A cumulative final examination will be given based on all of the contents of the class. The exam paper may be composed of multiple-choice questions, short answer questions, essay questions. Students should rely primarily on in-class exercises, quizzes to give them a sense of what they may see for material on exams.
	0

		A cumulative midterm test will be given based on all of the contents that
Mid-Term Test	20%	have been taught in class. The test paper may be mainly composed of
		multiple-choice questions.
		Most of the assigned homework is taken from the Exercises in the
	15%	textbook and tutor's notes. Assignments will be collected at the clearly
Homework		· · ·
Homework		stated date. Late assignments will not be accepted. The graded
		assignments may be kept by the tutor for reference and won't be returned
		to students.
	15%	There will be 2 quizzes during the semester. Quizzes will be announced
Quizzes		in advance. It may also be used as a way to check the attendance. Quizzes
Quizzes		will test your knowledge of both concepts and the application of those
		concepts.
	10%	The students will be divided into several groups to prepare a presentation.
		Each student is required to be involved in the presentation. The topics
Presentation		can be selected from the textbook or lectures. Each group need to finish
		a PPT related to the topic which is given and hand in the related resources
		to the teacher before the presentation.
	10%	Individuals will be asked to participate individually in a question and
Participation		answer at least 5timesduring the semester. The performances should be
		counted in their participation.
Attendance	10%	Refer to attendance policy listed below
Total	100%	

Detailed Grade Computation

	Before Midterm	After Midterm
Attendance	5%	5%
Participation	5%	5%
Homework	5%	10%
Quizzes	10%	5%
Presentation		10%
Mid-Term Test	20%	
Final exam		20%
Total	45%	55%

Assessment of Student Performance

Self-Study and Reading ability Practice

Instructor will give out the chapters or the reference books to read and use class hours to have discussion; students should be able to show a proactive attitude and ability for self-study and reading. Knowledge and oral English will be elements of homework or presentation score.

The Homework

Students should finish their homework by themselves. Copying from others will be treated as cheating and the homework scores will be lowered. Students should hand in all assignments on time. Late assignments will be accepted at the discretion of the instructor (i.e., when the student was ill or had an excused absence). Late assignments without reasonable proof will be reduced in score by 50%.

Test and Exams ©

There are at least 2 quizzes, 1 midterm test and 1 final exam during the semester. Quizzes may or may not be announced in advance.

Unless otherwise noted in class, students are expected to memorize the formulas and computations used to solve problems. Anything said or presented in class, in the text, on homework, or previous quizzes or exams may be tested. Exam/quiz papers may be composed of multiple-choice questions, short answer questions, essay questions, and calculation problems. Students may not leave the room during an exam/quiz unless they are ready to turn in their paper. All personal communication devices should be turned off and put away during class and exam/quiz time.

Tresentation

The students will be divided into groups to prepare a presentation. Each student is required to be involved in the presentation. Each group needs to finish a PPT related to their topic and submit it before their presentation.

TAttendance

Because the course covers a great deal of material, attending every class session is very important for performing well.

- •Being late for 15 minutes or more is considered an absence.
- Five hours or above of unexcused absences will result in the lower level of the final grade by one grade band (e.g. from C to D +). Any excused absence must be discussed directly with the teacher.
- Absence which is more than 1/3 of the total teaching hours will cause an F (a failing grade) directly. but students are welcome to continue attending classes.
- An incomplete grade (I) will be considered in case of medical or family emergencies.

Tarticipation

- Students should participate in classes actively. Half of participation grade is determined by their presentation in class. They are encouraged to ask questions relevant to the subject and express their own opinions. Every student should respect the ideas, opinions, and questions of their classmates.
- Students should also use office hours to ask questions or talk with the instructor for good communication and effective learning.
- •Frequent visiting the instructor and chatting in English during office hours is highly recommended.
- •Any misbehavior and non-class related activities in class will result in the lower level of the participation grade, including ringing cell phones.
- •All above behaviors will be solely evaluated by the instructor for scoring.

Textbook

Students must bring the textbook to class.

Note: We chat group and Xuexitong will be used to facilitate our teaching and learning activities. The We chat group will be mainly used to inform the students study activities and answer questions. Xuexitong will be used as the main study platform to organize the study activities and upload learning materials.

Some chapters or sections may leave for self-study, this is the students' duty to learn and understand, they may also be included in the quizzes or exams. A review in Chinese may be held during L.C. and O.H. in the semester.

Teacher's Office Hour

• The instructor's office hour is shown in the front of the office door.

- •Students are suggested to use the instructor's office hour and learning center to ask questions or talk with the instructor once at least per week for good communication and effective learning, which is recorded in the students' participation.
- The time can be scheduled by instructors or students, or both.

Cheating and Plagiarism

Cheating is not tolerated. Any student caught cheating on a quiz; test or exam will be given a mark of zero (0) for the particular work. At the beginning of the semester the definition of plagiarism will be carefully explained, when any thoughts or writings of another person are used, they must be clearly identified (usually one uses quotation marks) and the source notes. **If any student is caught cheating on any homework assignment, the highest score the student can earn in that course is a "C".**

Important Dates

Midterm Test	Week 9 or 10
Final Exam	Refer to the notice of the Academic Affairs Office

Note: This syllabus is tentative and may be changed or modified throughout the semester. All students will be notified and a new syllabus will be given.
